

Method's News Corner

November 2019

Our mission at Method Child Development Center is to support a diverse community of families by wrapping our arms around each child's social, educational, and emotional needs within a safe, nurturing and affordable environment.

Dear Parents,

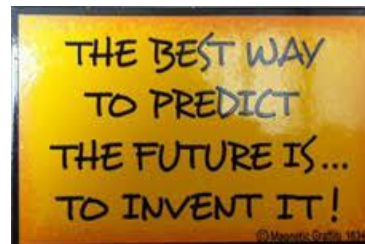

It is incredibly important that your child is dressed appropriately for the weather conditions each day. Yes, sometimes spills and accidents can occur in school. Parent's please provide an additional weather appropriate, complete set of clothing.

For reference, here's the North Carolina Law for Early Child Care Regarding (10A NCAC 09 .0806) TOILETING, CLOTHING AND LINENS (Effective September 1, 2019).

(a) Diapers shall be changed whenever they become soiled or wet and not on a shift basis. (b) The center shall ensure that clean clothes are available in the event that a child's clothes become wet or soiled. The change of clothing may be provided by the center or by the child's parents. (c) A supply of clean linens must be on hand so that linens can be changed whenever they become soiled or wet. (d) Staff shall not force children to use the toilet and staff shall consider the developmental readiness of each child when toilet training. (e) Staff shall provide assistance to each child to ensure good hygiene.
